

## Pedagogy Bridges

Strategy	Actions needed	What else, who and when
Identify the differences between approaches to learning and teaching in year 6 and year 7		
Develop joint approaches to learning and teaching across the phases		
Encourage learners to become participants where they can reflect on how and what they are learning		

Strategy	Actions needed	What else, who and when
Focus on different learning styles and pedagogical approaches in designing the learning platform for transition		
Create common learning environments to minimise the impact of change		
A range of approaches caters for the needs of specific groups of learners		
Review the strategies in place for the teaching of literacy, numeracy and ICT
